“ I only met Sharon once in person. I did talk to her several times on the phone. We had a lot in common. She loved crystal and had a talent for interior decorating. She was a very kind and classy lady. She will be missed and remembered by me. I am so sorry for your loss.

“ Kevin, I am so sorry to hear about Sharon. At times like this it is so hard to find the right words to say. I just lost my sister-in-law in August, also to cancer. She was young like Sharon, just 53. What I found most helpful to me and my family was to know that others were there for me. Know that I and multitudes of others - your GM family are here for you. You are thought of highly by so many. Lean on us during your time of need.

“ Dear Kevin and Sharon's family, Sharon and I were tennis buddies and after tennis we became friends. I called her today just to see how she was doing and then tonight I received Kevin's email telling me that she had passed. I am extremely saddened. I will keep all of you in my thoughts and prayers. I feel truly blessed to have known her. She was so sweet and I'm sure that God has prepared a special place in heaven for her. I will forever miss her.
