

Sharon Betty Ingoglia

September 6, 1944 - February 5, 2022

Sharon Betty Ingoglia passed away on February 5, 2022, at the age of 77. A daughter of Thomas Jr. and Betty Knapp, she was born on September 6, 1944, in Detroit, Michigan. Sharon started her career as a nurse and later, with a business partner, started her own company, Nursing Unlimited. She was proud to retire early, at the age of 52. After her retirement from Nursing Unlimited, she joined her son Todd's company (Celebrations Party Rental) and worked there for over 20 years.

Sharon is lovingly remembered as a strong and independent woman. She raised her two sons as a single mom with high career ambitions at a time that it was not so common. Sharon was always a competitor, whether in business or athletics. She was a downhill ski racer and racquetball competitor in her younger years. Later in life, she was hooked on golf and enjoyed exploring new golf courses with her golfing friends. Sharon was talented musically as well. She played the flute and competed in piano recitals throughout her youth. Sharon enjoyed spending time with family and friends and was devoted to her children and grandchildren. She will be dearly missed.

Loving mother of Scott (Dawn) and Todd. Adoring grandmother of Faith, Scotty, and Julia. Dear sister of Thomas (Barbara) Knapp.

A visitation for Sharon will take place on Friday, February 18, from 5:30 until

“ Friends are a gift from God; friendship does not end when life takes us down separate paths. Though we lost touch over the years, I can truly say how glad I am I had this friend. My fondest memories are of the years we shared. I wish to extend my condolences and love to the rest of the family and let you know that you are in my thoughts and prayers.

“ *I was so sorry to hear about Sharon's untimely passing. She was a kind and generous woman with many friends. Those that knew Sharon privately knew that she was strong, opinionated and determined. She will be missed by her family, friends and all the gals she golfed with. If I can sum up her personality in a few words, I'd say "She was a force to be reckoned with." We'll certainly miss you! “ *In September of 1963 I met this crazy energetic life force as a student nurse! Always laughing and ready for any mischief,, we became great friends for many years. Family was always first in her life and anything she did it was done 300%. Scott and Tod, you were always her greatest stars and with good reason! I have so many wonderful memories of our families together as the years passed all too quickly. Blessings to you all. I know you will always miss her and all she was and did to make this world a better place. Love, Aunt Marcia*
