“ Perhaps God is a poet Who writes with words of flesh and bone and leaf and flower. Every hour of every day, words pour out of the poet's heart, and every word is beautiful and true and with the telling. And when each poem is perfect, and there is no more which ought to be said, the poet gently takes the words back into his heart, where they are safe forever... Sharon will be so deeply missed.

“ Words can not express the sorrow one feels at this time. It only shows you we are all in this together and we must continue on with the great passion for Life till our time comes. Sharon will be deeply missed by all that have known her.
