“ Sharon was a regular player at Diamond Girlz Euchre group and loved playing cards. We enjoyed having her as much as she enjoyed playing with us. We will always remember the times of friendship and laughter that we shared. She will be missed very much! Sending love, hugs & prayers to Wanda and Sharon's family during this most difficult time. <3 Joann

“ Sharon and I have been friends for 68 years. I love her so very much. She was the type of person that accepted you for who you were. She had her own ideas about life but she never judged you for having different views. We often agreed to disagree on things but that never got in the way of our love for each other. I will miss her so very much. My condolences to her family and friends.

Susan, I know she loved you for almost her whole life. We were talking about me driving her over to see you when the weather was a little better. Hope to see you Saturday. Wanda
