“ So many beautiful memories to look back on....the fun times (us girls decorating our shirts & Keds for the Utica vs. Berkley softball game in the Lattanzi dining room, while blasting Phantom of the Opera music), the milestone memories shared (graduations, showers, weddings, babies), the sad times....and through it all, always seeing how well "mom" loved and cared for others. Sharon was always taking care of people, feeding people (making the best cheesy potatoes!), and doing for others...she loved others well. She was protective, sassy (in the best way), and had a contagious laugh. She gave great advice....not only "buy the shoes", but "buy them in every color!". She loved talking about Frank's golf trips, and how it balanced out her shopping trips. She knowingly would share about how patient Frank was (and it's true, especially when us girls would take over the house, and later when the grandkids would do the same!). She loved her family, she loved doing things for her family...and she was always so proud of her grandkids, and (of course) of Kristina. I'm holding you all close to my heart. We love you.

“ Frank, you and Sharon were both the most wonderful people! I loved spending time with you both on the patio. You both always made me feel as if I were like family. I will forever cherish the love, acceptance, and friendship you both shared with me. I could always look to her for guidance and comfort. Such wonderful memories. ❤️

“ I will always remember spending summers next door with Ally and Kenzie at Mr. Franks and Mrs. Sharon’s. Mrs. Sharon always treated me like family and was the sweetest woman (and best baker). Our whole family is heartbroken, after being neighbors and knowing you for almost 15 years now. Our deepest condolences to the Lattanzi and Malcolm family, we are right next door if you need ANYTHING! Love you guys.

“ My sincere condolences to Frank and the entire Lattanzi family. I remember many holiday get-togethers at my Aunt Josephine's house, and Sharon and Frank were always so welcoming and engaging with all of us "kids".
