“ *Sharon was a caregiver for my parents 8-9 years ago, she was very caring and compassionate. Sharon would get them out of the house and take them to stores and a favorite destination was a pie bakery. May she be at peace.*

“ I am so sorry to hear about Sharon. I first met Sharon at First Federal Bank - we worked together. I left and got started in Real Estate. I was so surprised to start a new office in 2012 and ran into Sharon! Again we were working at the same company! We kept in touch over the years as we share the same birthday. She was a sweet and kind person, I hope her transition was peaceful.
