“ Bill, Sherry, Kimmy and family, I am so sad and sorry over the passing of your dear wife and mother. On June 11th, a part of my heart died with Sharon. She was one of the most beautiful, loving, caring and amazing woman I had the pleasure of being friends with. She was a true warrior in her fight against her illness. Her strength and courage surpassed far beyond anyone I have ever known! My heart breaks for your loss and sadness, please know that I really do understand some of your pain and sorrow. There are so many people whom Sharon's life touched and are sharing in your grief at this time. I am here, I'm sure as many are, for you at this difficult time. If there is anything I can do for you, I will. Please share in the comfort of knowing that she did not have to suffer long before she was taken to a better place. I will always love and miss my dear friend. Love and prayers, Nancy
