“ I was so sorry to hear of Sharon's passing. we had been friends for over 60 years and had made plans to get together and catch up. I had no idea that she was ill or I would have been with all of you to help the best I could. Please except my condolences and hugs to all the family. I will cherish the beautiful memories of her and your Dad and Uncle Louie as long as I live. they are all together now and at peace.

“ Diane and Mike, I am very sorry to hear about your mom, I understand what you are going thru, I just lost my mother a year ago and the pain still unbearable. Nothing can replace her love or the beautiful memories; my heart goes out to you and your family. May she rest in Peace. Your mom is no longer suffering, is harder for us, there is nothing I can say to ease your pain, but think she is in a better place, finally resting, Alzheimer is a devastating illness my dad has it, every day is worse. I know how difficult all these experiences can be. I pray to God to give you and your family the strength to move forward. Your chain is broken but the time will come for all of us to be reunited once more with our loved ones. My deepest sympathy. God Bless You.

“ Words cannot express what my Mother meant to myself and my family...through the duration of her illness, Mom was an inspiration to me! Yes there were rough times...I have already forgotten them...What I will remember is how throughout everything her smile welcomed and thanked all she came in contact with!! To our family at MDI I can't thank you enough for your above and beyond care of our Mother and the kindness shown to our families...you have an angel in heaven watching over all of you! So many people have thanked me for how I took care of Mom...I am merely a reflection of how I was raised... I am overjoyed that Mom is out of the physical pain of breast cancer and the mental anguish of Alzheimers...be at PEACE Mom and know I will LOVE you ALWAYS more than chocolate!!! xoxoxoxo Katy (Kathleen Mary if I was in trouble!)
