“ Dear Mr. and Mrs. Brindley: I know there are no words possible to help you understand nor feel any better at this moment. But what has always given me comfort was when I was told once, that the greatest gift God ever gave us as his children was the ability to remmember. The memories you have of your son, will for many years to come give you all comfort and give you peace. Michelle, we loved your son like he was ours. He brightened our life in so many ways. Once we had no Ideah he was coming down and when Dale and I came home from work, he was there in our living room waiting to surprise us. All we could do was huge him and smile, the light that came to us when he was with us was brighter. I know Emil was like yours and Shawn was like ours and I will always charish all shawn gave to us. We loved him greatly. Love the Walters
