“ *Shelley was her own ray of light her beautiful smile and sense of humor are unforgettable. We lived in San Diego for a while together we both have a Briana and my middle daughter's birthday is a day before hers how she used to joke and tell me I should have waited one more day so they could have been birthday twins. The day she left San Diego we hugged and vowed to stay in touch . I'm so glad we did I allowed me to be apart of more happy times and keep up with my friend. John Adam and Brianna I am so sorry for your loss I know how she was your world and you were hers. There are no words to describe how much she will be missed.*

“ *Shelley was a long time neighbor and friend. We both moved and lost touch with each other but did occasionally run into each other at events in Ferndale. I was so sad to hear she passed away. I will be praying for the family during this difficult time.*

Shelley was the cutest little girl with her curly strawberry blond hair and so smart. I have memories of exercising with her to Jane Fondas video and lots and lots of laughter. She will be missed. Auntie Judy

Shelley and I attended PRH classes together. She was a very welcoming person with a great sense of humor. She raised two great kids. I moved out of the area but she would always keep in touch. It's hard to process that all that life energy has moved on. I know it's got to be hard for family but it's a difficult loss for her friends as well!

My eldest cousin Shelley and I share the same birthday. She always reminded me that I was her birthday present. She was always proud to be the eldest cousin. Everytime we were together it was always a good time. Rest in peace eldest cousin. Birthday's won't be the same knowing you aren't celebrating on the other side of the country. We will miss you 😞
