“ To Pete, Janet and Jimmy, I am so shocked and saddened by the death of Sheryl. Even though Rhonda and Lisa kept me somewhat up to date, I am so sorry that I haven't kept in touch with all of you. You raised such a beautiful child that will live forever in your heart and mine. If I can ever be of help, please don't hesitate to call on me 586-296 6278. So many memories, canoeing, camping, races at Belle Isle, trick'treating, parties, and walking to the "Olive Pit" for pizza. It was the love you had for Sheryland Jimmy that made these memories special..She was loved... What a gift you gave her! And with that gift she was able to touch so many hearts..She touched mine..and I thank-you for that.....

“ Such a beautiful soul. Wise, caring, sincere, generous. No mean spirit, just pure love. Always a twinkle and a smile. A giggle, a laugh, we will be together again some day. Until then rest in peace and joy in heaven. Love, Cathy

“ I found out today that a very special friend has left us. My sympathy and prayers go out to Sheryls family and friends. I am writing this because I can not be there for Sheryl. I met Sheryl back in 2000 through mutual friends. I have had a lot of fun and memorable times with her. She is one very special person, much more than most people. I am deeply shocked and sad. We will all miss her. She will always hold a special spot in our hearts.

“ No words can ever replace that of the sweet sound of someones voice, a voice we can only so faintly hear. But our memories can keep her in our thoughts forever. Not only did she touch my life but the lives of my children, as she did with so many, there will never be a such thing as Sheryl ever being forgotten!!! To her family, no words can completely comfort you, only you can continue to comfort each other. We know how much you love her, as do we. Her spunk and feistiness will forever live in all of us. I just pray that your family will find the peace that I know she'd want you all to have, to remember her when she was well. The beautiful "Heart, Sun" she will forever be! Rest in peace my beautiful friend, you are truly missed!

“ *Sheryl epitomized the term "good friend". She would tell you exactly what she thought and then immediately apologize if your feelings might be hurt. She was real, what you saw was who she was, with no hidden agenda. Sheryl had a big heart, and loved her family, friends, all animals and kids. She was very patient, extremely intelligent, hard working and funny. She was loyal to everyone in her life. She was the first one to compliment the people around her, but was modest about herself, almost to a fault. She loved the Fall Season, especially Halloween, costumes and decorations. I always think about her this time of year. Anyone who knew Sheryl and had the priveledge of calling her a friend was very lucky to have had her in our lives. I will miss her forever.
