“ *Sheryl and I worked together for several years. She was always honest and caring. When I brought my kids in, she always acknowledged them and made them feel special. That meant a lot. We're all very shocked by this and are thinking of her and the family. Positive thoughts to all of you.*

“ I've had the pleasure and honor of knowing Sheryl on both a professional and personal level. Although there really wasn't a difference between the two. We could stir us up some trouble yet enjoyed every minute of it. Sheryl was always genuine and told you exactly how she felt, which is such a great quality to have. I will miss her sayings, her laughter and most of all I will miss my best friend. I know there was always a place for you up there...even if you think you had to talk your way in! I love you Sheryl!
