Beautiful service for a beautiful soul .

I bowled with Shirley on Wednesdays. She was on our team, Family Ties. After watching this beautiful service, I realize that she was the embodiment of our team name. I may have only known her for a few years, and she may not have been related to us, but she'll always be family. She was a force, and man she loved gambling. There wasn't a jackpot, or square sheet that she didn't want in on. I will miss her smile and her laugh. I am so sorry to Howie, and her entire family for this tremendous loss.

“ I've known Shirley since 5th grade. She was my sister-in-law for a few years. She once broke a record over my brother's head during a fight 🥊 She would perm my hair in the early 80's, before I left for California. We got together last November, the last time it was safe for me to travel. Her last text to me, in April, was "I love her and you you are my family" (she was helping my mom). She was such a fun, good human. 💕

“ *Sending our thoughts and prayers to Howard, Michael and Lizzy. Shirley will be missed. One of my favorite memories is when Shirley was 6 and Debbie and I were in the basement and she insisted she was going to call David Cassidy whom she loved. The operator was getting ticked cause she wouldn't give up. We had so much fun growing up. Loved her*

“ *Aunt Shirl, also Aunt “SHUD-LEY”, Thank you for always including us and all of your Parties. You truly have left an impact on everyone who knew you. So much fun and laughter! Even though we were only six years apart, you were always there for me like a sister. You saw my darkest side and still loved me. I learned today about the pelican. It was believed that the mother pelican, if she could find no food for her babies, would peck out her own chest and feed her own blood to her children. Sorry for that details ...but Yes you were also self-sacrificing just like the pelican. You put others before you and your needs. I Thank God that I was chosen to be your niece. I will miss you forever, as you called me, JODE*

I am so sad that this has happened. May Shirley rest in peace in the arms of her loved ones gone before her. I will not be able to attend due to Covid exposure quarantine I am in. God bless and keep everyone well.
