“ Judy, I am so sorry for your loss. Although, I only knew your mom from her stay at the House of Hope, I always enjoyed our conversations. She was a delightful lady and a good friend to all the residents. She will be missed.

“ Dear Darlene & Judith: I was so saddened to read of your mom's passing. I had just thought of her the day before I read her obituary. I will always remember what a beautiful and classy lady she was with an exquisite taste for fashion and home decor. Shirley was a lively woman who would always have a smile for everyone - even on days when she didn't feel up to it. I will always remember her elegance and zest for life. Please accept my condolences as your family struggles with this loss. I hope that her last days were pain-free and without suffering. With sincere sympathy, Kathy
