“ I talked to Shirley about 6 months ago, she was reminiscing about all the fun times they had with the neighbors in Sterling Hts. We all have some great memories from the good old days there. Sending our love and sympathy to all the family.

“ Dear Prowse Family, It was a moving and very positive experience being with you over the past couple of days as we honored your dear, dear, Mother, Wife, Sister, & Friend Shirley. I always called her Mom, like many others. I will remember how beautiful she was, her lovely smile, happy demeanor and the loving kindness she showed me and many others. When Cheryl painted the wonderful picture of her life it moved me greatly, moved me to look to my own life and see how I could practice selflessness, kindness, happiness, love, gratitude and acceptance every day. We were blessed to have the "extra" twelve years that Pops prayed for after her initial surgery, and she was happy, happy, happy to have it as well. That much was more than obvious. May the legacy she left for us live in our deeds, I will never forget her. All My Love, Sherry Underwood

“ I would like all to know how lucky I was to have such a wonderful mother-in law. She truly made me feel as much liker daughter as her own. I will miss the long walks on the beach and her willingness always to share selflessly with others. You are engraved in my heart I will miss you forever. Love, Dawn

“ Art and Family, Shirley was very special and we were very proud and honored to have the opportunity to get to know her over the last decade. I always enjoyed getting Shirleys opinion after she watched ET television. She will be greatly missed by all of us. I know it is a small consolation that her suffering is over but her memory lives on in all the people she knew. Art feel free to call any time. Tom Tomaski and the Staff of AIC-North.
