“ *A wonderful neighbor, and part of the Maple Street Gang. So many wonderful memories, lots of late night parties, cops being called, because of the noise. Green hornets Football games, all of the children at the bus stop, or just walking by your house, was a joy. You will be missed by all of us.

“ can any given day for 23 years . We were greeted with a neighborly hello And a smile. You always had a watchful eye out for the kids as they waited for the school bus and when they were out playing in the front yard as they grew you still kept a watchful eye and when my parents came to live with me you watch them to , The pleasant conversations you had with them made their day. The many block parties we all had with one another, those wear Great Times, Family food and friends what could be better ! We are extremely honored to have called you a family friend we will miss you but we ask our Lord God to receive your spirit
To bring your family strength to help them remember that together they will get through this difficult time. To your children I leave these words;
As tears flow a small breakthrough for an angel has gone to heaven to watch over you . As heaven rejoices and angles sing , so to shall too when you think of me, for ill still be watching and taking care as I look at you from my place up here.

With Love form your forever friends;

“ My mom was the most caring parent a child can wish for. Mom would always find away to make things right. The two things that I will miss the most is the way she would call me on my birthday and sing happy birthday to me and tell me how much she loves me. That will be missed very much I always waited for that call. When ever I would go over to visit or help her out with something she would always stand at the door when I was leaving and waive until I was out of sight. I will miss my mom very much every day. I know that today there is another angel in heaven looking down on us. Bill.

“ Too many memories... My grandma was one of the most sweetest loving person anyone could ever know.. She would give the shirt off of her back to help a stranger out.. She never fussed about her self or things she needed.. She was truly a selfless person. There will never be a day that goes by that I won't miss her.. But I know she is finally reunited with my Papa.. Physically she may be gone but she will live forever in my heart.. Xoxoxo
