“ *Will miss one of my favorite and exceptional teachers of English at St. Florian and Journalism at Madonna College. I considered her a mentor, colleague and friend. She was a beautiful role model for anyone wishing to be an instructor or writer as well as a most special people-person.*

“ *Sr. Irene was one of those people that marked my life. Her wisdom, knowledge and sensitivity were very present as I faced a crisis in my life during her Academic Dean years at SS. Cyril and Methodius Seminary. I followed her through the years. I was always grateful for her deep understanding and compassion.*
