“ Throughout school Stacie filled the halls, playground, classrooms, and everywhere else she went with laughter and fun. She was always welcoming to new people and new teammates. She was someone I admired; she never let the crowd influence how she cared and respected people. I can hear her laugh now, and even with her gone just the thought of her laughter makes me smile, as i am smiling now. My thoughts and prayers are with your family may they find strength and peace.

“ I did not have the chance to really know Stacie. But I new of her. What I new of her was that she was fun, loving, caring and never liked seeing anybody sad. No matter who you were she would tell you to cheer up! From what I new, Stacie was the nicest most sincere person I did know of at Dondero. She will be missed. My deepest sympathy and prayers go out to the Seymour family at this difficult time!

“ My thoughts and prayers are truly with you all during this devastating time. Although, I never knew Stacie well, I saw first hand what a caring daughter and sister she was. There were many years where we sat in the bleachers watching the boys play baseball. She sure loved and supported her family! This world was lucky to have a person like, Stacie in it. May you find strength in God and in good memories. My deepest condolences go out to Mr. and Mrs. Seymour, Sarah, Scott, Shawn, Sam, and Adam, and all of her family and friends.

“ Dear Seymour Family & Adam, We have so many fond memories of Stacie. From babysitting for the kids to fun filled afternoons of softball games to watching her grow into a beautiful young woman. We think of her and instantly remember her beautiful, light up a room smile. She had an incredible knack for spreading happiness by just being in her presence and if someone could accomplish a lifetime of joy in just 25 short years it would be Stacie. She was a gift to all who knew her. We pray that your loving memories sustain you during this difficult time.

“ *Dearest Stacie, You were part of a tightly knit circle of wonderful friends that included my nephew, Nathan Grover. You were not only surrounded by love from family and friends, you had a pure light that shone from within. That light, unfortunately, was taken from this earth much too soon. Your love, sincerity, and kindness will live on inside each of us that you have touched. Per your family's wishes, I am writing a check to help support the Royal Oak Animal Shelter. I wish I could do more.*

“ I met Stacie when I was a new student at Whittier Elementary School in second grade. Sharing classes together from then through graduating High School, I can honestly say she is probably the nicest person I have ever known. Though we were not close friends, she was friends with everyone. Not only was she genuine and caring, but she was extremely funny, and when she had a story to tell, everyone stopped to listen. She will not be forgotten. My condolences to her Family, FiancÃ©, and all that knew and loved her.
