“ I met Stacy when I joined the world wide Pompe on-line community. At the time she was the OFFICIAL GREETER...She inspired, touched and moved me to live my life to the fullest, regardless of our disease. I thoroughly enjoyed our e-mails and chats. She always brought a smile-giggle to my life. I will miss her bright soul. I know she is dancing and smiling on us all.

“ Schollenberger family, I am so sorry to hear about Stacy. I will miss her e-mails that made laugh, and I will miss her smile. I will always remember her just like she was in her senior photo. She was a true friend, and will be irreplaceable. Know that you are in our prayers. Craig.

“ I've know Stacy since approximately 2003 when I started working with the USA Pompe patient organization. We spent many hours talking to each other by phone and then later by email. We had so much in common that it was a shame that we didn't live closer together so that we could be visit together in person. I will miss her emails and her presence in my life so much, but I know in my heart that we will meet up one day again. Stacy will always be a part the "Pompe group" and she won't ever be forgotten! Be happy my friend!
