“ I consider myself extremely lucky to have had a Grandfather as special as I did. The memories from my childhood will not be forgotten. I wish my daughter could have grown up knowing him also, but the great stories and memories will be shared with her.

“ When I married Nick 5 years ago, I was lucky enough to be able to call Stanley my Grandpa too. What a treasure of a person he was. I see so much of him in my husband, and I thank God that I was able to know him. His tender heart especially showed with my daughter. He always had a special stuffed animal that he had picked out for her. But it's what he wrote in the cards to her that I will think of when I remember him. The last one on Valentine's Day came in an envelope that he decorated with hearts that said "To Our Sweet Maggie". He will be missed because he was greatly loved - but his sweet spirit lives on in his Grandson, and Great Granddaughter - I know, I see it every day.

“ Stan was a nice, friendly person who ran a very clean and welcoming business. It was a good place to meet friends, share stories and lies and have good laughs or a little game of "horse collar". Our condolences to Jerry who I shared rides to Selfridge with and Paul, who would never shirk his duties of providing a friendly hello or mix the most exotic cocktail, as well as your mom. Thanks for the memories!

“ Stan was a super person and a war hero, he will be missed by his many friends and family. I had the pleasure of meeting him and sharing the love of family when his son Jerome married my daughter Therese. We shared many laughs with holiday gatherings, as Grandfathers we shared the joy of seeing our Granddaughters grow into beautiful young ladies. Good bye Stan rest in peace

“ I recall this man from my young teen-age days at St. Florian school in 1963-1965 time-frame. My best school friend at the time the late Richard Parada and myself almost lived that period of our after-school life at St. Florian's Gymnasium where Mr. Miekstyn was found daily overseeing the activities there. I recall his son Jerome from grade school days at St. Florian. My deepest sympathy to the passing of this fine man - who helped so many there. I treasured those years at Florians -- so many great memories there. God Bless - Rest In Peace Mr. Miekstyn Joseph St. John
