“ Evelyn and family, I just recently heard about Stan's passing and wanted to let you know how sorry I was to hear it. He was a great guy and I always enjoyed his company. I remember watching a Michigan / Ohio State football game at your house. That must have been really difficult for such a Sparty! Anyway, you are in our thoughts and prayers in this difficult time. “ It's always so hard to lose a loved one but we know you have so many happy memories of Uncle Stan that we are hoping that when you think of one it will put a smile on your face and warmth in your heart. I am so happy that we were able to get together a few years ago and share an afternoon at my cousin's in Washington, Michigan. Uncle Stan always had a smile on his face and I am so grateful that you were all able to make the trip out to see us that day. Our thoughts and prayers are with all of you during this sad time.

“ Evelyn and family, Stan "our" man touched the hearts of many people and made the world a more beautiful place to all who knew him. It has been an honor to have known him for the last 32 years through my years as a student in the Ferndale High School Band and a member of the Twelfth Night Singers. Our loss is heaven's gain. I'm not even sure how to express how sorry we are, except to let you know that God is with you through all of your sorrow and He will let you find peace and comfort in His love. “ To the Edwards family; I am so sorry for your loss, Nancy is a very close friend of mine. I lost my mother in November and know how hard it is to deal with the reality of it all. I just wish there was something I could say to make it easier for everyone but there isn't. Please know that our thoughts are with you at this time. Leslie and Joel Yoder
