“ My memories of Stan are filled with lots of love & smiles. When Gary & I got married I was instantly his daughter. He was the most wonderful grandfather. I will always remember how fun he was with them. There were plenty of times he would allow himself to be all bandaged up from Nurse Stacey & Lauren, curlers in his hair & nail polish on. He would never say no. He was Matt's biggest fan! Whatever sport Matt was playing at the time, whether hockey or baseball, Grandpa was always there loving it. I know it was really hard on him when he stopped going because of his health. If anybody would have asked him his great grandson is by far the smartest, most wonderful child to walk on earth. As Ma always said Alex was Grandpa's apple pie. Everyone loved Stanley, his great smile, big heart, & towards the end his innocence. I will miss him & wish that we had had more time to spend. I know God is taking care of Pa in heaven, & he has no pain, no frustrations. I will miss him always.
