“ I will remember you Stella forever. You were a wonderful friend, neighbor and person. You were very forgiving and young. You just never got old in your thinking. You had the most wonderful sense of humor. My daughter Melissa and I loved you very much. She called you "Hecko" when she was little and played at her house many times over the 20 years we lived next door. The world needs more Stellas. You will be missed.

“ I was sorry to hear of Stella's passing. I have fond memories of good times spent with Stella on my visits to Michigan, and at the family gatherings over the years. She was a kind and loving person. I was sad when my sister moved to NJ and we lost touch with Stella. God bless her and her family. I will pray for all of you.
