“ My mom, Cassie Stroll had known Stella since high school and considered her one of her very best friends. My mom was Stella's daughter Mary Ann's godmother. We just lost my mom in August to Alzheimers. My heart goes out to you.

“ I was saddened to learn of Aunt Stella's passing. I have fond memories of being in her kitchen on Christmas eve and summer parties on Harsen's Island. I feel fortunate that I was able to see her last October at my mom's birthday party in Clio, MI. I've thought of Aunt Stella many times in my life and most likely will continue to do so.

“ My aunt Stella was an inspiration in my life. When she was newly married to my uncle Henry, she would come to my house to read to me "The Secret Garden". That experience has made me curious about reading, and a lifelong reader. Also, we were very poor. Aunt Stella went shopping in downtown Detroit, and bought my a beautiful dress. I never forgot her kindness.
