“ *Janet, Stephen and Richard,
Our thoughts and prayers are with you today.
Uncle Steve touched our hearts in many ways over the years.
Together, your parents attended every event we ever hosted,
including my graduation in Chicago from medical school. We have
fond memories of all the family reunions where he always inquired
as to how we were doing. As my godfather, I always felt a special
connection to him and remember fondly having many a meal with
him growing up. He lived a long life among friends and family and
today, Cheryl and I pray that he is peacefully in God's hands. We
are sorry that we could not be there today with you, but are united
with you and share your loss in our hearts.
Fondly,
Cross Frank and Cheryl*
