“ Steve was my very dear cousin and although we were separated by many miles and several years in age, there was always that special feeling when we were together. I had the privilege to hear his testimony before he passed. There is great comfort knowing he was securely wrapped in Jesus' hands and doing what he knew he must. He will remain in my heart always.

“ Dear Judy, Family, Relatives & Friends, Throughout my entire life, my cousin, Steve, was both a role model and mentor to me. Just by watching how he lived his life, he inspired me to pursue a career path in the helping profession. His humble, humorous, gentle and soft-spoken manner had a calming and soothing effect on anyone he came in contact with. He continued his accepting and upbeat manner all throughout his time living with cancer. His periods of remission were often referred to by the doctors as "miracles". Even in death, he continues to be a source of inspiration to all who knew and loved him. If you look up the word "saint" in the newly revised Webster dictionary, you will undoubtedly find a picture of Steve Wettstein next to it. With sincere condolences, Annie

“ Dear Judy, My mother and I will always be very grateful to Steve for his kindness to us, especially when we needed help with transportation. He helped so many people. His deep prayer life, his devotion to Jesus and his Blessed Mother, and the way he lived out his Faith were an inspiration to all of us. Likewise his dedication to the pro-life cause. My talking to him helped my mother and I decide that we really wanted to keep the 40 Days For Life sign up year round at our house. I enjoyed the times that he would tell me about the latest book he was reading. He always chose extraordinarily good books. He was a good listener. His example and prayers will continue to be a support to the pro-lifers who knew him. We will all miss him greatly.

“ Steve was a true "Packer Backer" and loved Wisconsin. But more deeply, Steve was a "holy" peaceful man, who was kind and gentle. We will be talking to him and asking for his intercession.

“ Dear Judy; It seems like such a short time ago that we met at a pro-life event at Cobo Hall - or more accurately, outside of Cobo Hall, because they wouldn't let us in. And last year, you and Steve stood with me in protest against Planned Parenthood your presence doubled the number. When so often, I felt alone in my efforts for the unborn, you and Steve were there and listened so patiently to me. I miss him and I cherish you. But one consolation I have is that Steve now understands God's plan and how the War to restore the unborn to the human family turns out. And we can live with hope.
