Mom

Stephenie Michele (Fischer) Strieff, a resident of Romeo, passed away on Friday, March 31, 2023 at the age of 48. A daughter of Bernie and Jill Gregorich, she was born on November 5, 1974 in Royal Oak. Stephenie graduated Dondero High School, Class of 1993. “ Steph was my best friend, my sister by love not blood. Her love for everyone around her was bigger than the universe. No matter how bad things were for her she always smiled and kept pushing on to try and live the best life she could. She left us way to soon and she will be beyond greatly missed every minute of everyday. I love you miss so much Steph.
