“ *Sylvia and Greg...I'm so very sorry to hear of Sterling's passing. I always felt very welcome spending time with your family many years ago. While I can't remember any particular story, I clearly remember the jokester's grin on Sterling's face and how he could so easily make people laugh. He was a down to earth and fun guy to be around:)*

“ Dear Matante Sylvia, Greg, Tracey & Lily: You know how much Mononcle Sterling meant to all of us and we will miss him greatly. He was such a joker, and especially loved to tease his nieces and nephews. The first things both of my boys said when I told them the sad news was....my favourite joke was when he came up to you gave you a pat or slap on the back and said "guess who's back?" So many wonderful memories of our families together either in Michigan, Toronto, Milton, Belleville (Ontario) or in New Brunswick. On behalf of my mother, Sylvia's sister Yolande, may God give Sterling eternal rest and peace and bless you all with fond memories in the days, weeks, months and years to come. We wish we could be with you.

Yolande and Family.
