“ So very sorry to hear of Steve's passing We so deeply sympathize with his family.

Steve and I were very close. We worked as a team in the Detective Bureau for several years. In our private life we were also close. We went on week long fishing trips for walleye in upper Michigan for three years. Sometimes we would just talk and have a beer together. He was my good friend during those years and I think of him often. He was a good man and friend. Our thoughts and prayers are with all during these difficult times, but I know that you will always dwell on the love and joy that you have all shared. May God grant you his peace, which we know, surpasses all human understanding.

“ So sorry to hear about Steve. I know he was a very happy man. Your family contributed so much joy to him. Know that he is no longer in pain. You will miss him, but let the happy memories give you comfort and peace during this most difficult time. You will meet again at Heaven's Gate. Till then "Trust in the Lord with all your heart".
