“ Dear Christine & Clament family,
I have deep compassion in my heart for your loss. I remember the Stralka family visiting us or the Kempinski's visiting you on holidays. Steven was of course young then but he had to come along anyways; just like we did when our parents dragged us from house to house...but they were fun times. Boring for us kids...ha! and I remember Steven having to go through the same thing that we went through growing up.

If I'm well enough by Sat., count on me visiting but if I can't make it, due to my condition; I will be saying a prayer for everyone; again, my deepest sympathies. Love & prayers, Sue Kempinski Hennessey.

“ I'm so saddened to hear of the passing of such a great man. Tree was absolutely one of the best managers National had. He was fun but always had a line of business. I remember when Krista had Bethany. Tree was such a proud dad. It has been several years since I have seen him. My memories of him are some of the best. Krista my heart breaks for you, the love you guys have for each other was always fun to watch. I'm so sorry for your Loss. Too trees mom, I am so sorry for the loss of your son. You raised a gentleman. My prayers are with you all..
