“ *I'm one of Steve's sisters and Steve was also a wonderful son and brother and will be greatly missed by his mother and siblings. He was always there for us when we needed him. He was also highly intelligent and seemed to know how to fix or build anything. Steve always had all of the answers and was right! I'll never forget his witty sense of humor, his smile or his generosity. Steve, we love you and will miss you but you'll always be in our hearts. xoxo*

“ My heart goes out to the family and friends of my Uncle Steve. I'll always remember the funny stories my Dad told me of he and Uncle Steve when they were kids. They definitely knew how to get into trouble together. He was a hard worker, a loyal husband, and a great father. I will really miss him.

“ Sandy, My prayers are with you and your family during this difficult time. Although I never met your your husband, I am sure that he was a wonderful husband, father, and friend to many people. Now that he is no longer suffering, he will be looking down on you and your children as he spreads his wings and flys through heavens lights. May God bless you and your family and help you through this difficult time.

“ My thoughts and prayers are with Steve's family during this very difficult time. I have known and worked with Steve for around 20 years and always appreciated his great attitude toward doing the right thing in all he did. He is missed but he has also left a lot of himself in the friends lives that he has touched. Rest in piece my friend.

“ *My thoughts and prayers are with Steve's family and friends at this difficult time. My fondest memories of Steve are his Uncle Ernie "let's go fishin" imitation and his movie productions. A Framalin tradition passed on to my own kids. His generosity, spirit, and wonderful sense of humor will surely be missed.*
