“ Steve was my best buddy through grade school, high school and well into our adulthood. I am honored to be godfather to all 3 of Steve’s terrific children. We had some wonderful times together but more importantly, Steve stood by me when things got tough. You are missed. My heartfelt condolences to all of Steve’s Family. John Calverly

“ Albeit Steve and I went all the way through St Mary Grade School and High school together, we really did not get to know each other very well until the late 1980s. I really liked Steve. I saw Steve at his mother's funeral a few years ago. I was saddened and surprised that he had died,although he had been in ill health recently. Steve was always very kind to me and I appreciate that. God bless Steve and his entire family!.....Chuck Nutt

“ Thoughts and prayers go out to Steve's family. I have many fond memories of times spent with Steve and his contagious, yet impish smile! To this day, everytime I see a ham radio I remember Steve showing me the wonders of how you could reach across the world with a small hand built unit. Rest in Peace Steve and please remember all of us in your prayers too!
