“ *All Is Well Death is nothing at all, I have only slipped into the next room I am I and you are you Whatever we were to each other, that we are still. Call me by my old familiar name, Speak to me in the easy way which you always used Put no difference in your tone, Wear no forced air of solemnity or sorrow Laugh as we always laughed at the little jokes we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household world that it always was, Let it be spoken without effect, without the trace of shadow on it. Life means all that it ever meant. It is the same as it ever was, there is unbroken continuity. Why should I be out of mind because I am out of sight? I am waiting for you, for an interval, somewhere very near, Just around the corner. All is well.*

“ *To Stevens Family, I was looking for someone elses obituary and came upon this, I,ve got to tell you, I am totally shocked. Your Dad use to come into Lindas Place Restaurant all the time, I would see him almost every weekend, I was wondering where he was as I haven,t seen him in a while. I knew he was having health problems, but I thought they were under control. I know he was trying hard, because he started eating egg white omelettes with no potatoes and no toast and he drank water. Your Dad was a kind and friendly man, I always wondered why he wore shirts that said GRUMPY, because he was never GRUMPY. He just seemed so Happy go Lucky, I did know that he was worried about his mom and her health, but thats how he was. Anyway, I just want you all to know that all of us at Lindas Place including the customers he talked to all the time are really going to miss him, and to you the family are Hearts and Prayers are with all of you. God Bless You Steven...*

“*Montagne Family,I'm truely sorry to hear that Stevie passed away. I used to work at Ozak's Bakery on Jos Campau. Stevie, Patricia and the girls would come in often for a bite to eat. I have happy memories of them coming in, but there is one that sticks out in my mind the most. Steve, Patricia, Michelle, and Marie came in two large chocolate cream puffs were ordered, both were then split in half. Marie sat by the window feeding her stuffed lamb along side Patricia. Steve and Michelle were on the opposite side of the booth. Then out of no where Michelle shouts "My name Shelly and my belly say I got go poop" and then Marie started giggling and snickering "Poopy poopy poop poopiety poop poo poo" and then went on to make fart noises. I swear your girls that day made the whole bakery laugh it was so cute. Steve and Patricia you've done good with your girls and raised them up right.Put in a few good words for me Steve and peace be with you!*

“ To the Montagne Family: I am sorry to hear about Steve's passing. I worked with Steve alot when we both were in the Hamtramck Police Reserves. He was a remarkable guy, always thought of others beofre he thought of himself. He was always proud of his two girls, Michelle and Marie. I have fond memories of him talking about his two girls. It was Michelle said her first word and Marie learned to walk on her own. I also remember the Hamtramck festivals where the girls would come down to visit us at the Police Reserve station and you telling them that they couldn't move past a certain line. I remember Michelle shaking up all the pop bottles so they would explode when we opened them haha and I remember Marie grabbing your uniform hat putting it on and saying "book 'em Dan-o". You raised your girls right Steve and you will be missed deeply. Take care Steve and make sure to have a cold beer ready for me for when I come to meet up with you at the Pearly Gates

“ Michelle and Marie, You know how much your dad ment to me and all of the guys in Crusade. He will be sadly missed but is in a far better place with many great polka stars. He know gets to hear the great ones everyday. I know someday he will meet me at the pearly gates. Instead of my wings, he'll have a grass skirt and a coconut bra. May God bless you both.

“ Denise & Family: We are SO SORRY to hear about Steve's passing. He was a very generous and caring person. We know he is "taking care" of people in heaven. We have many fond memories: polka parties, TAPS picnics, hot pepper canning parties, and the fish fry thanks for the deep fryer - he will always be with us. He will be missed.
