“ We knew Sue and Roy from our church (Community Christian Church) and our group-togethers (picture below) which we got together once a month prior to Covid. Sue was a very friendly and extremely nice lady. After our church service on Sundays, she always came into the coffee room and made sure she said "hello and how are you" to everyone. A very friendly and sweet person. We will miss her. We pray for Roy, her husband's (who was such a great husband and they had wonderful and generous children she informed us when we went out to dinner with the two of them. She was so proud of her boys. We pray for their healing as we know how much he and her children will miss her.

“ Sue was a wonderful person. She never met a stranger. She always went out of her way to greet you and make you feel loved. She was a great friend to my mother, Jackie Frazier (who passed in 2014). Sue will be greatly missed! Our prayers are with Roy and her children during this transition period. With deepest sympathy, Rick Frazier

“ Dear Roy, Paul, Gabe, I am so sorry for your loss. Your Mom and I grew up together. We used to hang together and we ended working with each other. Your Mom was a great friend and I will miss Sue deeply. I have a lot of great memories of your Mom. Your Mom was always calling to check on me, in my time of need. Just remember your Mom is at peace, and she is not suffering any more. She will be watching over all of you's now. Love Aunt Merrie
