“ *Judi & Karen, Though we've lost touch over the years...please accept my belated condolences. I know you miss Sue terribly and I feel your pain over losing a sibling Karen. Judi - I remember fondly all the great times we shared at your house that was always a welcome haven to Sue and Karen's friends. The laughter and joy we experienced are indelibly etched in my memories. God Bless you both. Cyndi*

“ *Karen - My deepest condolences to you and the rest of your family. I pray for strength and comfort for you. After reading the guest book there were so many kind words about your sister Sue. Sounds like she was a wonderful person to be around. Have comfort knowing she is in a much better place now and you will all be reunited some day. Your friend from Comerica - Nancy*

“ To Sue's family. My thoughts and prayers are with you at this very difficult time. She was definitely one of a kind and her wit and talents will be missed by many. I worked with her for a few years and talked to her in the last few months. She still made me laugh as only Sue could.

“ It was my sincere pleasure to work directly with Sue over a number of years. Sue has always been one of the greatest examples of bravery that I have ever met. Further, her consistent work ethic while feeling extraordinarily ill is humbling. We can all learn extraordinary lessons from Sue's courageous example. I was greatly dissapointed to hear of her passing. I will miss her.
