“ Sue has been in my heart before she became “Susan”. We went to high school together, worked at Dr. Hall’s together (now, that was a bad thing with all our pranks) and stayed together through thick and thin for over 40 years. We spoke often, even though we were apart, and every time we spoke, it was like we saw each other everyday. She had the knack of making you feel important and relevant in your everyday life, no matter of the situation. I have memories of Mike and Sue out at Waldenwoods, winter camping with my Dad. She was a favorite of his, coming out at Halloween in her many costumes and coming out of her RV in the mornings with her fancy boots. I cry, as I write this now, knowing that I will never hear her laugh again, her singing a song, if you say something that corresponds with a tune, and saying “see ya soon”. My thoughts and prayers are with you, Mike, Ben, Anne and the rest of the family and all who can relate with this devastating loss. RIP my forever friend.

“ We have so many memories of the boundless energy and that Susan always had. She could light up a room like a ray of sunshine! Everyone who knew Susan, smiles when they think of her.

We pray that Mike, Ben, Anne, Larry and the entire family finds strength in the years of remembrance and joy you shared with Susan. May God bless you in this time of transition.

“ Susan was always a pleasure to be around. She was kind, thoughtful, loving and lots of fun. We go way back to when we worked for Dr. Leroy Nelson. We had so much fun at his Christmas parties etc.. My husband, Roy, and myself really enjoyed the summer parties she and Mike had too. Susan was a giving person, always willing to help. She will not be forgotten! Now, Susan and Roy can party with Leroy Nelson again and whomever else is up in heaven that knows them. My heart is sad that she had to leave her family and friends so soon. I'm sure that God has Susan in his loving arms now and she is at peace. Hugs, Julie Kumm

“ I was saddened to learn that Susan passed away. She was always a ray of sunshine and full of energy - at family gatherings when we were kids and whenever I saw her in more recent times. My thoughts and prayers are with Mike, Ben, Anne, Larry, and your extended families at this sad time.
