“ *I worked across the hall from Sue in the County Bldg. Our paths often crossed during our breaks and we'd end up talking. I just want to say that Sue had a lot of love inside for her family. There seemed to be 4 special guys in her life, that she appreciated. They were her son, Michael, her dad, her nephew in a rock band and Andy. She'll be missed.*

Norma - March 25, 2015 at 12:00 AM

*Susan Lux Muscat Will be truly missed and always loved in my heart
See you soon up at the big house.*
