“ *I am Patti Martins friend Carol. I have know Susie for a very long time. My greatest memory was when Susie, Renea, Patti and I did a Fourth of July Parade for Doris when she was ill. We laughed and had a great time. My thoughts and prayers to Renea and Susies family.*

“ I still remember the thoughtful flower arrangement Sue made for Uncle Eggy’s Funeral. It was filled with cattails and pheasant feathers—all the things that brought back memories of things he loved. She didn’t speak much, but she expressed herself and her love through her craft! Her cousin, Eunice Bradley-Fox
