“ Once in your life....forever in your life. Sue was simply a treasure. Don't remember much at my age of seventy six.....except this..... Sam and Hazel Pill bought a home across the street from my home in 1957. Sam was a good guy...played the Sax....Hazel was kind and put up with my antics. i first met Sue at the Hammond Lake Estates beach in the summer of 1958.. she was fourteen years old...I thought I just met Cinderella..... but she was just a precursor of her future beauty to come. I watched her grow from child to beauty queen.... pursued her all the way. She never noticed. She was always fun and kind to me, but had bigger fish to fry. And now, after more than fifty years....to read her Obituary....and know that she was the treasure I met in 1958....I'm happy for her life and the loved ones she left behind. Once in your life...forever in your life. I too, miss her. Jim Cousens (Clarkston, Michigan) 4/28/19

“ *Dear Susan - Your aura was so beautiful because it not only surrounded your eyes and smile but it poured out of your soul with your kindness and helpfulness to others. Your dedication to your family and friends was amazing. Elmer and I were so happy we got to sing Happy Birthday over the phone on Dec. 8 -- I can still hear your giggle. So happy our paths crossed in this life You will be dearly missed Love you my dear friend, Jo Ann Kretsch*

“ *My dear Susan - your soul the sweetest, your heart the deepest, and your spirit the brightest. I am forever grateful to have spent summers in Charlevoix with you and your family. Hosting impromptu concerts on the lake, dancing on the lawn, antiquing in town, and sharing talks and laughs at all hours of the day! Your genuine curiosity and excitement for the happiness of others to live their best lives has been an inspiration for me. With hugs & love to all of the Yuille tribe ~Michelle xo*

“ Proud to say that I’ve known Susan since the seventies. And of my many great memories of her, one screams out to me.....(at a “going away” party for Brittney , 2006(?) She was jumping up & down....dancing & singing at the top of her lungs to Rihanna. She & Lauren were dancing together & she could not stop laughing. I can still see her punching her fists in the air....having the time of her life! She made Lauren replay the song close to a dozen times. She couldn’t get enough!! It was a glorious sight. She was such a riot. But that was Susan. She was larger than life. My heart is hurting for my friends who have lost their Mom, wife, Grandma, Sister etc but we will all keep our special memories of her alive forever. 💖🎈
