July 20, 1928 - November 24, 2022

Sybil Lorraine Giusti, age 94, of Oak Park, passed away on November 23, 2022.

Beloved wife of the late Fred Giusti. Loving mother of Al (Jean) and Eric. Proud grandmother of Ryan (Lacie) and Evan. Sybil was a go-getter who could very oftentimes say, "been there, done that." She graduated from both Oakland Community College with an associate's degree and from Wayne State University with a bachelor's degree. She worked as an office manager, most recently with Schaeffer and Weiner Law Offices in Bloomfield Hills. But her personal passion was travel. She traveled extensively around the world, including to various spots around Europe, Egypt, and China. But above all, Sybil was devoted to her Lord and Savior, and her husband and family. She will be dearly missed.

“ *The Giusti's were such a wonderful and sweet couple. So kind to my brother Roger and I over the years. Always asking how we were doing. Always sent cards too.*

Then there was the famous 'Feast' she held for some of the FBC Young Adult crowd. I have never seen so much food and desserts in one place in a home. Everything expertly cooked by Mrs Giusti and totally delicious. I felt honored just to be there.

Thank you Sybil Giusti for your love, care and Prayers. You are loved!

“ *Such a great person. The matriarch of our family. My godmother!! She was such a force in my life. I love her so much!*

She will be missed. I am grateful that I was able to see her the last couple of times that I was in Detroit. Always the gracious hostess and always the joker. I will miss her terribly.

Godspeed Aunt Sybil! We'll all be together at the throne.

“ *Sybil was a beautiful, kind and very sweet person. I had the pleasure of working with Sybil for 12 years at Schafer and Weiner. While we worked hard boy oh boy did we have fun! We laughed a lot and this was the time of year we listened to WNIC together and enjoyed the Christmas music. All of us at the firm looked forward to her delicious desserts that she made for each of our birthdays! I always teased her and said she should open up a bakery :). I was blessed to have known Sybil and will miss her dearly. Thank you to Al, Eric and the rest of the family for sharing Sybil with us. May she rest peacefully..*

“ *(Great) Aunt Sybil and precious Uncle Fred hosted me for an evening the night before I played bagpipes at their church. Aunt Sybil was such a gracious hostess, making sure I had dessert to go with dinner and was comfortable in the upstairs guest room. She was full of stories of travel, people she met, and she always had a full social calendar. We will miss you! Xoxoxo*

“ *All my memories of Aunt Sybil are good. She always seemed to have it together, and then some. Her cheesecakes were associated with her name and she loved to teach you how to make it. As far as italian sausage? She knew where to buy it and how to wrap it. We are all better for having her as our Aunt and the one wish had was that her whole family would come to her church with her. See you all on December 4th.*
