“ I have very fond memories of Aunt Sybil, when we used to go up north to my grandparents' trailer in Port Hope on Lake Huron. Her never ending patience with her foster daughter Cathy started me on my path to becoming interested in and eventually working in Special Education. Aunt Sybil had a warm laugh and always a welcoming hug. I hold all of you in my thoughts and please know I am there in spirit with you, celebrating her life and legacy. Love, Jodi (Pizzo) Clarke

I worked with Sybil at Glen Peters in the summers. I can tell you she was so loving towards me as well as the students. I last visited with Sybil at Mercy Bellbrook, where she lived with my mom. ❤️

“ I will never forget all of the kind encouragement Sybil gave me while carpooling to Glen Peters School in the summer. She was a real role model and knew how to love others "unconditionally". She loved her family, but extended priceless caring to individuals that could not even express themselves. I will always appreciate the precious time I was in Piet's company! The Piet family (of Hank and Sybil) are living a legacy that your mom was so proud of. May God Bless and comfort you as you grieve and reminisce about her wonderful life.

“ When I was small, I had a hard time telling the difference between my mom, Carmel, and Aunt Syb. I happened up north, that we were all walking over to Aunt Viv's place and I reached up for a hand to hold and latched onto what I thought was my mom. It turned out to be Aunt Syb, I was so embarrassed but held on anyway. It always brought me a kind of comfort that they were a bit alike. But then, that was Aunt Syb, comfort.

“ Dear Loves..May God welcome your Mother with open arms...(His Angel on Earth and in Heaven). SHE taught us much as we worked side by side. She was kind, loving, listened, and helped with advise of my teens. Shared laughs and tears too. SO SINCERE...She loved her job and most of all our CHILDREN. Loved her Familt too. Sybil never raised her voice. THERE was a Sybil look that she used but not often. The troubled child would listen to that look and respond. WHAT a sweetie. Never learned that look! The World is a better place for your Earthly Life With us....Always in my HEART..LOVE YOU...

“ Truly sorry for your loss. She was a wonderful person and I will always remember her kindness as I spent many of my childhood days in her home. She was a woman of strength and beauty who grew old gracefully. I always enjoyed my visits with her even in recent years. Love to the family. May God Bless you all at this difficult time.

“ I remember attending Yoga class with Sybil, Vivian and Jan at Rochester Community House about fifteen years ago. I enjoyed sharing exercise time with her and loved her great attitude and work ethic.
