“ *I met Cookie through my brother, John. Her and I kept in contact through the phone and meetings during the holidays. To her brothers and sisters, I am so sorry, I know the pain you must feel, for I lost my brother, John, in January to lung cancer. Fred, your loss is felt by all of us. You all will be in my prayers.*

“ *I would like to offer my condolences to Fred and his family and to Cookie's brothers and sisters. Cookie was a very elegant person. Cookie and I were best friends during grade school at St. Louis the King. We both lived on the same street. We did everything together. As years passed, we didn't keep in contact the way we should have, but we never forgot each others birthday. I was so sorry to hear of her death, it will leave a void in my life and in my heart.*
