“ I'm sorry we can't be there with you today. Please know, we are thinking of you during this difficult time. I'm sorry I wasn't closer with my grandfather, but I do have some fond Holiday memories of him. Especially the ones of him arguing with Uncles Tim or John about playing the wrong card in Euchre games.

We love and miss you all,

“ Stephanie, Pat and family: was so sorry to hear of the loss of Sylvester. What a special man he was and what a personality he had. I will miss his visits to the front desk, the smiles, the laughter, how excited he was when he was heading to the casino or up to a card game, him always saying he'd pray for us when he was going to mass and his wonderment at the simplest of things. Stephanie, He loved you to the moon and back and glowed with pride whenever I asked how you were. My heart and prayers are with you and your family. Just think of all the good things he will be doing in heaven.. I bet he has already found a card game going  on. Will miss him so much. Blessings during this difficult time. Let me know if you or Pat needs anything.

“ Pat and Stephanie (and the entire family) please know that Sylvester will be missed. Town Village just wont be the same. Somewhere in heaven there's a card game or slot machine that has just gotten a new player who is winning.
