“ *My Dear Mother, How do I say goodbye to my best friend? My life will never be the same without you. We've had many good years together and a special relationship that apparently not all mothers and daughters share. I thank God that I had you. I know you loved me, and I loved you with all of my heart. You will be in my heart forever. I miss you very much mom.*

“ *My grandmother was an admirable, classy woman who I will miss very much. Words can't describe how much love and respect I have for her. Some of my best memories of her are riding to North Carolina with her and my mom in a big Cadillac through all the mountains on our way to "The World of Clothing". I will miss her practical and always useful Christmas gifts, and I will miss going to Las Vegas with her. I know she is watching over all of us and when the wind blows, I have comfort in knowing that it is probably Sylvia Pipper up there with her vacuum cleaner. I love you Granny, Chris*
