“ So sorry I could not be there. All my love and prayers. Tami will certainly leave a large hole in your lives but in the same token, may her memories and laughter fill part of that void. She made quite an impression on many, many peoples lives. My love----Aunt Polly

“ Dearest Cati and Chase, I am so sorry I didn't get to talk to you at the funeral. I wanted to tell you both how proud your mom was of you. You are gifts from God. I worked with your mom at Century 21. I loved her and will miss her. I know she is with our Lord. If you need someone to talk to, I'd love to do that. Love, In Christ Teri 810 441 2509

“ My prayers and sympathy go out to Tami's family. She was wonderful daughter, wife and mother as well as a wonderful friend to everyone she came in contact with. I worked with her for several years and grew to love her humor and great personality. She left a special place in all our hearts and will be missed but not forgotten.

“ One day sitting in church Tamie was praying and I sat next to her to offer support. She began to cry and this surprised me a great deal. She turned to me and said that she had a dream that an angel would be with her today and that I was her angel. I told her that she was sadly mistaken and that she was the angel always there for anyone no matter what her situation was. Little did either of us realize that she truly would become my angel. Someone I will try to live my life after as best as I can. She was giving, caring, unselfish, and one of the best hearted individuals that I have ever had the pleasure to have in my life. We can all learn from Tamie whether it be compassion or listening. You will be greatly missed but the Lord has special plans with your memories and those you have touched.
