“ *My sympathy to the family. It is not easy when someone we love dies. Mere words cannot convey the overwhelming feeling of helpless that can result from the death of a loved one. May the God of all comfort sustain you and give you strength to cope during this difficult time.-2corinthians 1:3,4*

“ *Tammy would come up north every year and celebrate New Year's with us. She was a kid at heart. We would play the game Guestures which she had bought for the boys and she would make us laugh so hard. The boys and all their friends just loved her. They would look forward to her coming every year. I will never forget the memories we shared and you will be forever in our hearts. We are going to miss you Tammy!*

“ Although I don't actually remember meeting Tammy, I know it was in 1st grade. We were 6 years old. My first memory of Tammy is of her and I pushing our desks together in our grade school class at Immanuel so we could eat lunch together. Since then she has always been there. I can't remember a childhood memory without her in it. She was by my side during birthday parties, our first communion, our 8th grade graduation, our highschool graduation, college graduation and everything in between. Tammy and her family have always been a part of my life and I have so many memories, quite a few that make me laugh so hard I cry.

Tammy, I know you are with your Mom and Dad and at peace in God's arms. I will miss you.

“ I met Tammy at my sister-in-law Tina's 50th surprise birthday party. We introduced ourselves. She saw that I had a nose stone on my nose. Somehow she lost hers. She asked me if I had an extra one . I said , "I sure do." And I gave her one . Laughing she said , "you're the only person I know that carries around extra nose stones and I'm thankful". I said, "I'm always prepared. " We laughed .
