“ I was saddened to just hear this news of Terri's passing. I met Terri several years ago when I was her Leader for Weight Watchers at Taubman. Terri was such a positive and warm person! I always enjoyed being around her each week and was so happy for her weight loss success, she had the best attitude!. We had quite a journey for the last 4 or so years together and she always inspired those around her to not give up. I am so sorry about her passing and will miss her. Laura F.

“ Terri had such a good heart and was always a joy to talk to. She had such a positive disposition. She was one of the first people I met when I came to Taubman, I was lost and she helped me find my way! We were in different departments at work but whenever I was in town I enjoyed out chats. I am going to miss her.

“ Don, Bud and the family, I am so, so saddened of the passing of Terrie. I have known and worked with her for 20+ years and we experienced so much together from our days at Miro, Honigman and presently at Taubman. She was an important part of our department as well as being my friend. I will miss her dearly! I know this is very difficult for you all but am hoping all the prayers of your friends will help hold you up. Love, Sue Link
