“ You been through alot due to Alzheimers taking over your body and mind but i know, u are now, with the angels dancing in heaven. I remember as a kid going by your house i always had fun. I was so glad my mom your sister spent time playing bingo together before my mom passed with the same horrible disease. I hope in the near future they come up with a cure. Aunt Theresa say hi to my mom and tell her i love her. You will be missed. Love You, Your Niece Joyce

“ Teresea was the only grandma I knew. She always spoiled me and cooked for me and gave me cookies when I was little. She suffered allot in the past five years; although I know she is in a better place, I will miss her. Love you Grandma.
