“ *Dorice, Don, and family. I am sending you my deepest sympathies and nothing but good thoughts for you as you go through this tragedy of life. Please know that my heart and prayers are with you. Although I never knew Terri personally, I knew her through her music, you as her parents and the gifts we shared with each other. My heart is heavy. I will cherish the gift that Terri made for me for the rest of my life. Hugs and Love.. Marianne*
