“ *I came across a message posted on a genealogy site by a Terri Kramer, stating that she was the grand daughter of Michael Joseph Donelon of Cashel, Co Galway. I just saw the message now, if this Terri is the same person, then we are related as I had an uncle Michael in the Boston area, whom I never met. Do contact me if you wish information about the family. My heartfelt condolences, in either case.*

“ *So sorry to hear of Terri's passing! When we moved next door back in 1991, Terri, Holly, and the Kramer family were among the very first to welcome us. Terri always had a cheerful word for me. The day she passed she had a gift prepared to give to our recently-born grandson. We will miss Terri. May the love, peace, and comfort of Jesus be with the family in this time of loss. God bless! “ So many great memories with such a beautiful friend. Loyal ,kind ,honest, unique in every way. There will never be another like her and my heart aches with our loss. She, on the other hand, is breathing the sweetest air, soaking up the brightest sunshine,, and dancing (barefoot..lol) in the most intoxicatingly beautiful gardens with the loved ones she has missed so very much. Our loss is definetly Heavens gain. Love you and will miss you forever my friend. RIP 🙏
